Meet Our New Assistant

ARK Evangelistic is happy to introduce our long-awaited Administrative Assistant, Lori Manning. The Auburn graduate began initiating web development, social media presence, communications and on-boarding in March with professionalism, anticipating an exciting and impactful boost for the ministry in the coming years. Welcome aboard ARK, Lori!

Spring Happenings

- Hosted a meet and greet with Anastasia Church Youth Leaders and Missions Director in a relationship-building opportunity, prayerfully hoping to serve alongside them in the near future

Ron Smith shares his love of art and God with the breakout missions class

VBS PRAISES THE ULTIMATE DESIGNER

In June, ARK dove into extensive, detailed prayer, preparation and planning for Anastasia Church's 2022 VBS "Spark Studios". Volunteers learned about serving, training and leading a child to Christ, and by God's grace, successfully kicked off the event with well over 300 kids and youth in attendance. Hosting the "missions" rotation again this year, the ARK team featured an international missionary, a marketplace minister and three local artists to speak on one of four daily 25-minute breakouts, incorporating the theme, "Created in Christ ~ Designed for God's Purpose". Over 200 1st-through-4th graders experienced our missions class. By week's end, 30 children made faith-decisions for Christ; 12 of them were baptized on the final day of VBS!

More Spring Happenings

- Hosted a Nepali Church church body and leaders banquet for 16 guests from 5 different nations who collectively planted more than 50 churches in Asia

- Reimplemented Florida Baptist Disaster Relief Chaplain training, certification and credentialing process in May
- Met with Youths For Christ (YFC) Director and staff regarding multiple summer camps in 2022
- Rev. Albert Kaidor officiated one wedding and participated in two others

Staff and students at the Graduation Dinner Banquet at Tuscany

CONGRATULATIONS, SUMMER GRADS

ARKEA is excited to honor the 16 soul-winning graduates of Classical Evangelism Training at a banquet this past June. The pizza was excellent, the fellowship was authentic, and the celebration over the many more souls who heard the Gospel and made faith-decisions to trust Christ was grand! Congratulations to Carl Simon who successfully attained Level-One Classical Evangelism Training. We look forward to watching Carl advance as an up-and-coming teacher-trainer for ARK at Anastasia Church.

GROWING THE KINGDOM

Albert Kaidor served on Lakeland's Revive Church Ordination Examination Council for Jaime Argueta, their youth pastor and missionary evangelist. Albert also accompanied Michael Lyman in a Jax-port outreach event, making contact with multiple people-groups from all around the world.

One of ARKEA's associate missionaries met with Honduran denominational and regional association leaders to plan classical evangelism training throughout their nation.

Albert is currently working through Jerry Bridge's book, "Our Identity In Christ" with brother Frank Gray...a biblical study in the purest sense, to encourage and challenge a relational, spiritual-growth journey. This is a biblical method of multiplication mentoring for being a disciple, and making disciples is a way of life at ARK Evangelistic Association and the local church.
