Boldly Moving Into 2023

ARKEA boldly began its 17th year directing evangelism training at Anastasia Church, grateful for the opportunity to serve and continue in prayer for God's perfect will for our ministry calendar and events. The Lord's vision, mission and purpose keeps us steadfast, grounded and spiritually flexible as instruments for His Kingdom Come in our hearts.

ARKEA LEADERSHIP GOALS Our Board of Directors, advisors, servant leaders, prayer and ministry teams continue with evangelism and discipleship training, visiting inmates in prison and jails, and with an emphasis on ministry partnership development strategies. Our 2023 goal remains to glorify God, making Him known to the world by proclaiming the Good News. We recognize we are created in Christ Jesus for good works which God prepared so that we should walk in them.

Fishers of Men...and Young Hearts, too!

ARK Ministries partnered with Tag Reed, Founder and President of "TAG's Kids Club" to present the Good News of Jesus to the True North Academy staff, student body and parents in Celebration, FL. About 45 attended the moving chapel service, and most all indicated they have or will follow Christ henceforth! After the event, Rev. Kaidor's grandson, Micah Drozd with Legends Fishing Charters of St Augustine, hosted a short, three-hour river fishing excursion. The leaders had a very successful outing and brought home fresh fish for dinner. But greater than catching those fish was the Lord who caught many hearts that day in Celebration with His Gospel!

BOOTS ON THE GROUND Joining forces in "Share Your Faith" Evangelism Training efforts, ARK collaborated with Exec. Director of St. Johns River Baptist Association, Asa Greear, host of the event. Putnam Medical Mission leader Cheryl Lloyd-Mayhew, her husband Bruce, and Pastor Jeff Foster from Crossroads Community Church rounded out the team.

SILVER CREEK CHAPEL The third Wednesday of each month, ARK joyfully leads a small chapel service at Silver Creek Assisted Living in St Augustine. Residents sing classic hymns, hear God's word and pray together. Seniors contribute by offering personal insights and share testimonies with one another.

Our New Partnership

ARK and Global Service Network have joined resources and look forward to growing God's family as well as ours!

Jacksonville Evangelism Leadership Week

In conjunction with LEN Ministries, ARK attended a five-day intensive Leadership Evangelism Training Clinic in early March with other leaders from Word Life Church, South Point Church and McDowell Baptist Church at Adamec Harley Davidson in Jacksonville, FL. Mornings began with classroom training and study. In the afternoons, the team hit the Avenues Mall and surrounding shopping centers, reaching 45 folks with public questionnaires. Of the 28 contacted, we shared the Gospel 21 times. Nineteen souls professed "yes" to Jesus' assurance in Christ. On day five, students received a graduation certificate and will go on to teach and train others to share the Gospel.
