David and EE are considering God's call to fulltime ministry as an Implementation Field Worker in the North Florida area. This will be the first time ever to historically mark not only one nor two but three Field Workers in one city together. If this be God's will we see this as nothing short of a sovereign move of God in our North Florida region for Gospel of Jesus Christ and His Great Commission. Please join us in prayer over this move of God to rapidly spread the Lord's message and honor it as well throughout our Great Nation America especially North Florida and St. Augustine. 2 Thess. 3:1
