ARK 2016 MINISTRY REPORT

"BOOTS ON THE GROUND WITH THE GOSPEL OF JESUS CHRIST"

Grace be to you and peace from God the Father, and our Lord Jesus Christ ! Happy New Year to you all ! This is a thrilling time for the gospel and our ARK ministry. We thank God for his many blessings this past year. In April, our ministry merged with Share the Fruit Ministry, providing us with a 5013C status with minimal cost. I have been privileged to disciple and mentor many, to preach at several area churches and be involved in ministries locally, nationally and globally. God's hand is not limited – it reaches far and wide – We give Him Praise !

We look forward to seeing God do even more exciting things in 2017. I compel you to join me in my struggle *"like in a great battle, a battle of prayer"*. We covet your prayers as we begin to expand the scope of the ARK ministry and yet keep it tailored and personal. It is for God's glory we enter into this new year with enthusiasm that we might continue to make many "disciple makers" and see many people come to know Jesus Christ as their Savior !

I would like to express my sincere gratitude for your faithful prayers, your generous financial support and for your collective cooperation in serving Christ through this ministry. Most importantly, we cherish your friendship in Christ ! May God bless you, and empower you through the Holy Spirit, to encourage your heart and to be his witnesses for the King and The Kingdom. May your lives express – *"Thy will be done on earth, as it is in heaven"* (Matt.6:10).

Sincerely Your Friends & Servants in Christ's Service. *Albert & Michelle Kaidor*
