THEY SPOKE THE WORD BOLDLY !

February 16th saw the start of a new evangelistic class in St. Johns County. It is a blessing to see people learn how to tell people about Jesus, because they have a true concern for the lost. They came to seek training because they wanted to "speak the Word Boldly" (Acts 14:3 NKJ) "Therefore they stayed there a long time, speaking boldly in the Lord, ... bearing witness to the word of His grace...". Praise God for these! Their efforts have seen many come to Christ !

On The Streets !

Left: Presenting the Gospel on the streets of St. Augustine, FL. It is *Amazing* to see how people are interested in things of God. They listen and receive the Good News !

Right: Classroom instruction is thought provoking. Learning gospel principles that are based on scripture makes it fun and beneficial for a lifetime.

In the Classroom !

Our OJT teams spoke to 58 people, Presented the Gospel to 28 people, and 23 made decisions for Christ !

Come Learn with Us ! People NEED the LORD !! YOU Can Make A Difference !!!
