"Boots on the ground with the Gospel of Jesus Christ"

July 22, 2017 VOL. 3

2017 - Second Quarter Report

Keeping The Main Thing, The Main Thing

At a recent "OJT" in St. Augustine, our evangelistic team was able to talk to a group of young people who were just "hanging out at one of the boy's pick-up truck." They had mixed church backgrounds, but most *thought* they were going to heaven, but their answers to our questions gave us doubt. We began to present the gospel, and they had very good questions. They showed sincere interest and allowed us to ask, "Does this make sense to you". It did, and all nine of them prayed to accept Christ as their Lord & Savior, but this was definitely a "Divine Appointment". "Thank you Lord". We give God the Praise and Glory and we are thankful for our "OJT" Team! It was a joy to share the Gospel of Jesus Christ in a kind, compassionate presentation to a group who are of the next generation of Jesus followers. Acts 1:8 & Rev. 19:10

At our recent 4th of July Outreach, sponsored by the St. Johns River Baptist Association, Albert was able to witness to a group of Hispanic families, on their way to the fireworks. They were totally open, interested and engaged. They accepted a Spanish Gospel tract and joined us in a prayer of faith, in God's saving grace, through faith, in Christ alone! As our team hand out water and tracts, they had opportunity to pray with some and present to gospel to others. It was an awesome celebration as we shared the Good News of Jesus Christ and saw many profess their faith and receive eternal life! Thank you to our SWAT Team! (Saints-Witnessing-Action-Team) To God be the Glory !

This Spring Semester our five member OJT team spoke to more than 70 people, presented the Gospel to more than 44 of those 70 people. Of those 44 souls , 22 of them made decisions for Christ ! Our Follow-Up efforts continue with these as the Holy Spirit leads our discipleship responsibilities.

We would like to express our appreciation to the **St. Johns River Baptist Association** for sponsoring our 4th of July Evangelistic Outreach this year. They provided water, gifts, drinks, tracks and support for our evangelistic teams. Thanks also to our volunteers who handed out water, tracks and prayed with approximately 25 people who received the gift of eternal life! **To God be the Glory !**
