"Boots on the ground with the Gospel of Jesus Christ"

October 2017 VOL. 4

2017 – Third Quarter Report

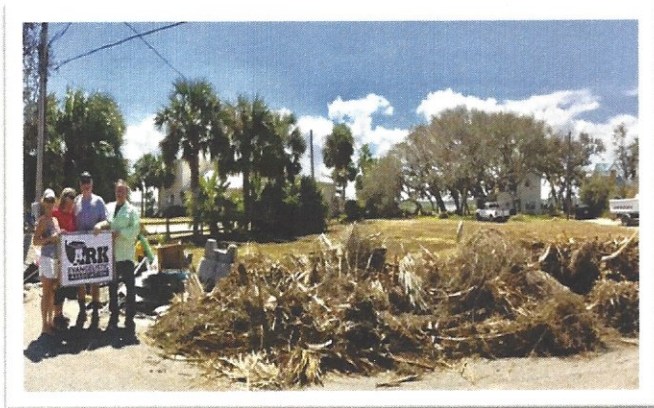

EXPANDING UPWARD AND OUTWARD

Our example is from Ezekiel 41:7 which speaks of the Temple and its design was to go upward, expanding as it went. Today, we are God's temple and our mission is to go upward and outward, sharing the Gospel of our Savior, Jesus Christ. We trust in Him to lead us and draw our hearts closer to Him.

Our thanks to our ARK Board of Directors for their help and participation in "sharing the load" of responsibilities and assisting the ministry work. We have total commitments from all our board members to work "upward & outward" for the cause of Christ in our very own North Florida communities! Praise God!

Hurricane Irma destroys – BUT - *Volunteers Restore!*

When harm and hurt came to our community in September, God's people respond with love and rolled up sleeves! Our compassion gathered up 12 awesome volunteers, 8 friends and family workers and went to work. On West King Street and at Deep Creek in Flagler Estates, we trimmed up fallen trees, cleaned downed fences and hauled them away. There was prayer for the people and a commitment of love and support.

Compassion Services Continue with ARK and its team. Thanks to Al and Michelle Kaidor and Board Members, Louis Fisher, Ed and Becky Hopkins, and Jeannie and Rick Ginn. Thank God for providing:

- * Donated one electric generator to a family. * Helped put up storm shutters on a two story house.
- * Prepared mobile storm trailer w/ generators & tools. * Shared our faith & the Gospel of Christ.
- * Ministered to 12 senior adults at an assisted living facility in NW St. Johns County.
- * Performed chain saw tree trimming, raking, gathering and hauling of storm debris in SJC, Putman & Clay County

Come Join the ARK Family

Serve the Lord no matter what the weather brings. Learn how to share your faith in a simple manner.

- ❖ Come learn and be ready for that "divine appointment" - sign up for a training class today!
- ❖ For the serious evangelist - a 13 or 8 week semester classes prepare you to present the gospel.
- ❖ For those with limited time schedules - we have week-end, one day workshops.

SUPPORTING LOCAL MISSIONS

In September, Anastasia Baptist Church celebrated its Missions weekend. Rev. Albert Kaidor, president of ARK Evangelistic Association, shared a booth to present Christ. Along-side him are two of our missionary partners, Jamie Argueta, our Spanish Missionary and Lane Jones, a church leader from Crestview Baptist Church in Lakeland. Thank you both for your support and passion for Christ !

SUPPORTING FOREIGN MISSION FIELDS

In August 2017, ARK sent 1,000 children's gospel tracks and 300 coloring books with crayons to the children of Tanzania to share the Gospel ! It was made possible through Pablo Quinones and the Rulon Corporation, as they sent a medical mission team there.

The medical team met their physical needs, we were able to meet their Spiritual need, and they seem to be delighted !

ARK also partnered with Missionary, Jamie Argueta, in his Mission Trip to Honduras. A team of 12 teacher-trainers from the US included two of ARK's Ministry Team members. Thank you to Dwight Preheim and Deborah Onderdonk, for your dedication. 31 Church leaders and pastors came from 4 different Honduran states were trained to share their faith and train others, and reach other cities for Christ.

During "On the Job Training"

- * 750 people were contacted and heard the gospel preached.
- * 470 people prayed to receive the gift of Eternal life by Grace through faith in Jesus Christ.
