God's great gains in the Gospel for His glory alone! Special Report from Asia!
"The Gospel Mission to Asia March 9-31, 2019"

A. Our local mission update:

Please praise God in celebration with us, that ARK Evangelistic conducted a Level III classical evangelism training in the fall of 2018! This was a full 13-week advanced seminary class on "handling objections to the Gospel". I and two other seasoned, senior teacher-trainers successfully completed all required course work in order to teach and train others in evangelism and discipleship in the future. As a team we reached out to more than 24 people, more than 18 heard the Gospel and at least 4 people accepted Christ by faith as their Lord & Savior. Bruce Norman and Russ Dunn both scored high on all academic grading scales and completed all practicum requirements to graduate with flying colors for Jesus! Way to go guys! Congratulations and honorable recognition is rightly due both Russ & Bruce!!!!

ARK Evangelistic ministry and leadership team successfully planned, promoted and implemented the spring semester 2019 at Anastasia Baptist Church on March 13th. Russ Dunn our senior teacher trainer kicked off the class with flying colors for the start of another great semester of classical evangelism training at or home church ABC! Bruce Norman our other senior teacher trainer dovetailed right in with Russ for a seamless startup! We officially start our 14th year of our seminary level classical evangelism training at Anastasia Baptist Church. PTL!

Additional evangelism trainings in our local area are being prayed over and for, followed by planning, promoting and being planted in future semesters throughout 2019. There are more than 12 churches in this North Central area that are conducting evangelism training at their home church! Will you join me in praying for them because they are on the front lines & in the spiritual trenches of our city, county and communities. Souls being saved, soul winners being trained.

On December 15th, 2018 at the Birthday Party for Jesus in Florida Prisons we distributed more than 25,000 cookies plus a Coke to nearly 1500 inmates. The Gospel was shared, and hundreds of inmates were ministered to resulting in many decisions for Christ. PTL! More crusades and ministry in the prisons are being prayed for and scheduled for the fall and winter. On April 12, 2019 a Gospel Crusade was successfully conducted at another Florida Prison. Many heard the Good News of Jesus and 40 inmates made decisions for Christ! Will you join me in prayer for future crusades & ministry in the prisons?

Launched full swing my training and preparation program for the mission to Asia. I also began my journey as a pin cushion for a plethora of immunizations and vaccinations.

January 24-27, 2019; For the first time, ARK became exhibitors at the pastor's conference at First Baptist Jacksonville. We had the privilege to reach out to hundreds of pastors and their families as well as other church leaders to preview and promote the services of the gospel training ministry at ARK EVANGELISTIC ASSOCIATION. We had the privilege to pray and encourage many pastors and people during the conference. Many good leads and contacts are being followed up on from the conference.

February 28, 2019 ARK EVANGELISTIC ASSOCIATION Board of Directors, gathered for a time of prayer and the laying on of hands in prayer. It was a time of anointing and sending us to Asia for the gospel. The Board of Directors unanimously saw fit to develop and enact a contingency and succession plan for the leadership of the ARK ministry in the event of any unforeseen or potential disruption of the ministry and its leadership.

March 1-8: prep, pack and make final plans for the mission to Asia as well as the kick off of spring semester of evangelism training at local churches in our area.

B. "Asia Mission statistics, snapshots and summary statements "

After an arduous 21-day mission to Asia, multiple trainings were conducted, several sermons delivered, many speeches given, lots of prayers prayed and the connecting and caring ministry of compassion rendered to my family in my absence in my home, with my family, to my wife and for the ministry we are glad to say, that we are all healthy, happy and healed! Thanks be to God! The mission to Asia from March 9 through March 31 was God glorifying and notably fruitful for the gospel of Jesus Christ! The great commission of making disciple makers in and of the gospel was as equally successful in these regions of Asia. Thank you for your prayers, support and friendship!

Our two-man pastoral leadership team visited two different nations trained 14 pastors for a total of 135 trained participants. Pastor Indra Koirala and I enjoyed the privilege to preach 12 sermons in 12 different churches in various areas of Asia.

Over 500 people heard the gospel of Christ and more than 100 of those 500 heard God's good news and made decisions of faith for Christ. Two Nepali Pastors & I had the honor of addressing and meeting more than 200 different pastors at the pastor's conference. Additionally, we were privileged to address 200 people at a youth conference as well as encouraged and spoke into the lives of 42 regional pastors at a pastor's prayer breakfast. Amazingly we also witnessed a miracle with our very own eyes!

We saw a woman be physically healed by God! All praise and glory be to God the father, to God the Son and to God the Holy Spirit! We watched with our eyes, Catherine the woman who was healed rise from her sick bed, raise her hands in praise and thanks to God for what he had done, then walk across the room to sit straight up on a bench. Two days later Catherine with her husband standing by her side, stood in the presence of many witnesses at a woman's conference and testified of what the Lord had done by healing her! PTL!

Your prayers for the Asia mission trip were answered not only regarding my health and safety, but also showing God's faithfulness by advancing His Kingdom and His purposes. Much of the first quarter of 2019 was dedicated to the planning, preparing, packing, training and medical aspects of this trip. I am happy to report to you that the time was well spent and the return on invested for the kingdom of God was exceptionally fruitful! We hope you enjoy the results and reports in these glorious gains for the Gospel of Jesus Christ, thanks be to God!
